Important Information:

- Personal drink/food coolers are allowed, but must be no larger than the size of a 6-pack (14") and cannot contain any glass. Beer/wine coolers are allowed as long as they are in plastic. Food OK. On Special Event Nights coolers cannot take up seat space and must be contained under your legs.
- Minors who wish to enter the Pit Area are required to have a signed & notarized Minor's Release Form on file prior to admittance. Forms can be printed at www.cowtownspeedway.com. Please note: A notary is NOT available at the track. Most banks will notarize the form for you.
- Cowtown Speedway is a Family-Friendly Race Track. We understand that racing is very exciting and competitive. At times this may lead to vocal excitement in the grandstands. We ask fans to be respectful of children and conduct themselves accordingly; keep verbal abuse/swearing to a minimum.
- The schedule page is updated on occasion throughout the season, so make sure to visit it often.
- Cowtown branded apparel, racing programs, and many other fun items are available in the Souvenir Stand located near the Grandstand Ticket Booth.
- Cash is the only form of payment accepted at the Grandstand Ticket window. If you would like to purchase your tickets in advance and pay by credit card, you may do so at the www.cowtownspeedway.com, generally up until 4pm on race days. Competitor entry fees may be paid in advance by credit card, when available. There are no ATM machines located at the track, but there is a Wells Fargo located on Business 287 right before you turn to come to the track.
- Weather updates will be posted on www.cowtownspeedway.com. Events that rain out after heat races finish are considered complete. The balance of the race program will be completed at a later date.
- All fans must stay off the Grandstand fences while cars are on the track.
- Promoter reserves the right to ask anyone who refuses to comply with Track Policies to leave the premises.
